Australia Awards In-PNG Scholarships Application Form for Intake 2022

Postgraduate Diploma in Secondary Education (STEM)

Postgraduate Diploma in Secondary Education (STEM) for 2022

Australia Awards In-PNG Scholarships provide training in priority areas identified by Governments of Papua New Guinea and Australia, delivered through selected partner institutions in Papua New Guinea.

Postgraduate Diploma in Secondary Education (Science, Technology, Education and Mathematics - STEM) scholars and graduates contribute to quality secondary school education across PNG, including in rural and remote communities.

Important: Please read all information carefully before completing your application.

This application form is for study in PNG only (not Australia). You must complete your application in English.

The scholarship is available only for study at the University of Goroka (UOG).

Eligibility requirements

You must meet the following requirements to be considered for a scholarship:

- completed an undergraduate degree program in the field of Physics, Chemistry, Biology, Geology, Mathematics, Information Technology, Environmental Science, Computer Science, Engineering and Agriculture between 2017 and 2020 (see next page)
- achieved a minimum GPA of 2.6
- meet the conditions of entry for the institution
- be a citizen of PNG and residing in PNG at the time of application
- not have been convicted of a criminal offence
- not have been terminated from a previous Australia Awards scholarship for misconduct.
- demonstrate a commitment to working as a secondary school teacher in STEM in PNG, including in rural and remote areas.

Supporting documents

You must submit the following documents with your application:

- One recent passport size ID photo with your name and signature on the back of the photo (scanned/electronic copy is acceptable)
- Certified copy of your Undergraduate Transcript
- Certified copy of your academic certificate
- Certified copy of **one** of the following: your passport bio page or NID card or birth certificate or photo ID such as driver license, school ID card or staff ID card
- A letter of reference from a community leader (e.g. university lecturer, pastor, village chief or employer).

Successful applications

If you are offered a scholarship, you will need to:

- sign a contract and be bound by the scholarship conditions
- be accepted for full-time into study at the institution identified in your scholarship offer for the duration of the award
- if necessary, live on-campus unaccompanied (no family)
- meet all other conditions of a scholarship award

Please note: The University of Goroka will not admit new students if they are pregnant or nursing an infant of less than 12 months of age.

Fraudulent documents and false statements

The Australian Government takes a zero-tolerance approach to fraud. All application documents will be verified and if found fraudulent, applicants will be excluded for consideration for this scholarship and any future Australia Awards. If application fraud is detected after a scholarship is awarded, the scholarship will be immediately terminated.

Intake 2022 selections, shortlisting and placements of successful candidates may be delayed and timeframe extended due to the current COVID-19 context.

Answer ALL questions. These questions will be used to assess your application. Please provide your best answers. You MUST answer within the specified word count.

Q1: Describe how you achieved a long term goal or a particular skill (for example, an education qualification, achievement in sport, learning a skill such as playing a musical instrument, a handicraft etc.). What was your goal? What challenges did you face in your journey towards your goal? How did you overcome these challenges?

This question aims to assess your determination, your ability to prioritise and to make use of your available resources. The goal may be a personal goal or a goal within your community.

(300 words)

Q2: After graduation, what subjects/levels do you hope to teach? Explain why these subjects are important to you, your future students and PNG?

This question aims to assess your understanding of, interest in and commitment to teaching any of the STEM (Science, Technology, Mathematics and Engineering) subjects

(300 words)

Q3: Describe a time when you have made a mistake or failed to do something that you were required to do. Discuss ONE example and provide specific details on the following:

- What was the situation, why was it a mistake?
- What did you do about it and what was the result/outcome?
- What did you learn from this experience and what would you do differently in future?

This question aims to assess your ability to reflect on your skills and experiences, analyse the situation, problems and identify solutions and strategies to respond appropriately.

(300 words)

Q4: After graduation, how will you continue to develop your professional skills and knowledge of your specialist subject? What do you hope to achieve for your students?

This question aims to assess your understanding, interest, and commitment to teaching and ongoing professional development and how this will help to improve the quality of secondary mathematics and science teaching in PNG.
