### Australia Awards Scholarships

Australia Awards Scholarships offer long-term study, mostly at post-graduate level, at tertiary institutions in Australia. These awards offer more than a degree. Scholars gain an internationally recognised qualification, a life-changing experience in Australia and lifelong professional and personal networks as alumni. Australia Awards make an enduring contribution to the PNG-Australia partnership and our people-to-people links.

### In-PNG Scholarships

In-PNG Scholarships are offered by the Australian Government in partnership with the Government of Papua New Guinea. These awards empower scholars to develop their knowledge and make a lasting contribution in agreed priority sectors of health, education and transport.
