

Partner Tertiary Institution Grant Scheme

Application Factsheet

The Partner Tertiary Institution (PTI) Grants are designed to empower PNG's higher education sector to improve quality and capacity across key priority:

Learning and teaching

Research and innovation

Student welfare and experience

Leadership and mentoring

Grant Details

Two AUD50,000 grants to a total of AUD100,000 are available for each Partner Tertiary Institution. The grants are available across two streams:

Stream 1:

AUD50,000 grant for small-scale procurement of items that will improve academic or student welfare on campus or during student practical placements, and,

Stream 2:

AUD50,000 to support staff professional development, including workshops and collaborative opportunities with Australian counterparts.

Institutions are eligible to apply for both grant streams

Eligibility criteria

To be eligible the institution must:

1. Have a current, signed, Service Agreement with AAPNG.
2. Identify projects aligned with the focus areas outlined in the PTI Grant Guidelines and the institution's strategic plan.
3. Contribute to inclusion of women, persons with disability and individuals from remote areas in the proposed projects
4. Submit a completed online application form on SMARTY Grants

How to apply

- Create a SMARTY Grants account for the institution using this link: www.australiaawardspng.org/higher-education-partnerships/
- Complete and submit the online application form through SMARTY Grants portal

Application screening process

- Submit an application by **11:59pm 31st March 2025**
- All applications will be assessed by the Higher Education Partnerships Grants Review Panel
- Institutions will be notified of their application outcome by **30th April, 2025**.
